

Weekly Prayer Focus: 27th January 2019

Trinity Free Church, Huntingdon

Trinity Free Church is located in the town of Huntingdon. In September 2018, the fellowship was pleased to welcome their current Minister Rev Elaine Blundell.

Although Trinity is, on the whole, an older congregation they rejoice that they have contact with a number of young people, some of whom attend their Sunday club.

The building is well used during the week and they are developing their links with the Rainbows, Brownies and Guides and have begun to organise some all age services at which they parade.

With close links with the pre-school that meets daily on the premises, a weekly drop-in for people from both church and the community to enjoy a chat and a cup of tea. Trinity is building good links with its local community.

Christmas saw Trinity get involved with two new events: Beer and Carols in the local pub joining with other churches and a Christingle service on the Sunday before Christmas. Both events were well attended and enjoyed by all.

Prayer points:

Trinity Free Church have asked for prayer as they appoint and transition their new Church Treasurer.

Please pray that the fellowship will build on events that have happened, and continue to develop links with those already using the building.
