

Weekly Prayer Focus: 7th January 2024 All Nations For Christ Baptist Church

All Nations for Christ Baptist Church began its life in 2003. By 2004, they were worshipping in the Betty Strathen Community Centre in Harold Hill, Romford.

Since COVID, the Church now meets in person on the last Sunday of a month and every Sunday the Church is online through the Church Television App.

Rev Peter Adenmosun is the Pastor of All Nations for Christ Baptist Church. His vision is for a church that reaches beyond the boundaries imposed by locations. By using the internet to broadcast both visually, via television, and internet radio, he reaches the whole world.

The Church also offers ministers of God from different countries such as India, Germany, Benin Republic, Nigeria, United States of America, Liberia, Mozambique, as well as the United Kingdom, the opportunity to broadcast on their internet channels.

Please Pray:

- That God should continue to enlarge the ambition of the Church to reach the world with the glorious Gospel of Jesus Christ.
- That God should give the Church grace not to deviate from the path of righteousness but remain focus only on the Gospel.
- That God should bring fresh members into the Church to join in preaching the Word of God.
- That God should expand His Kingdom through the ministry of this fellowship.
- That God should give them their own building. A place of worship.
