

Weekly Prayer Focus: 27th October 2024 The Church@The MegaCentre, Rayleigh

The MegaCentre, in Rayleigh, is an Essex-based, Christian charity which exists to bring joy, hope and life to the whole community. Meeting within its premises, The Church@The MegaCentre embraces this vision. Becoming part of the EBA family in 2023, The Church@The MegaCentre offers chaplaincy and ministry to the whole community.

The Church@The MegaCentre is currently going through a time of leadership transition. In the coming days, the Church is likely to be led by Rev Scott Williamson, with David and Hannah Brown.

The fellowship has become involved with refugees, particularly those with a Spanish speaking background. With a number of Spanish speakers in the congregation, they have been able to quickly build relationships. During the summer, they met on a Wednesday evening to share food and fellowship as they built relationships with one another.

The Church@The MegaCentre rejoices that many from the Spanish speaking community are meeting with them on a Sunday. Faith is growing as people are recommitting themselves to Christ. Sometimes, families move from the area and the fellowship have kept in touch and hear of the families progress as they find churches in their new communities.

On a monthly basis, The Church@The MegaCentre runs a Messy Church. They also run Messy Church once a month with many families from the town joining in, and the Church regularly sees around one hundred guests taking part.

Please Pray For:

- The fellowship during this time of leadership transition.
- That they may continue to serve the most under-privileged in their community with a special focus on the refugees and refuges.

Growing healthy churches in relationship for God's mission in the East of England
